Dear Friends,

It's my pleasure to present you the second newsletter of BANA. I would like to thank all the individuals associated with BANA for their continued support.

I am happy to announce that our most important event, Diwali is going to be celebrated this year in Queens, New York. BANA had owed this to New Yorkers for a long time. We hope New Yorkers will take this opportunity to turn up in huge numbers and make this event a grand success. The event venue is:

Walter H, Crowley Intermediate School 5
50-40 Jacobus Street, Elmhurst, Queens, New York 11373
Time: 5.00 PM - 10.00 PM

I must emphasize the need for volunteers for the Diwali event. If you are willing to help in any activity for this event, please contact respective executive members. I am always thankful to all the volunteers for making BANA one of the best indian organizations in the United States. See you all at the Diwali event.

Sincerely,

Dr. G. N. Roy,
President

New Arrivals:

Congratulations to Rajesh and Madhulika on being blessed with son Rohin. Indeed young Rohin is quite a trend setter to take up the 2nd biggest newborn's position in JFK. It must have been a tough competition for an Indian to be there. BJANA welcomes Rohin to this world and wish him all the best in life.

An appeal:

Please email us info on events such as Birthdays, Anniversaries, Graduations or anything else to editor@bjana.org so that we can publish it in our next news letter. Feel free to contact any of the executive committee members for any other questions or concerns.
